

No Smoking Policy

Aims

Dilton Marsh Pre-School intend to provide a safe, comfortable and smoke free setting for both children and adults alike.

Method

We consider smoke from cigarettes, cigars, pipes etc. to be harmful to all who enter the setting. As a result the Pre-School is strictly a No Smoking area; smoking is not permitted in any part of the building or outside area at any time.

This is also in line with the No Smoking at Work regulations 2007.

Anyone found to be smoking anywhere within the Pre-School boundaries will be asked to leave. If it is a member of staff they may face disciplinary action.

This policy was adopted at a meeting of the pre-school held on (date).....

Signed on behalf of the pre-school.....
