

# Dilton Marsh Pre-School

## WEEKLY NEWSLETTER

W/E Friday 12<sup>th</sup> February 2016

**After Half Term** your child's summative assessment will be ready for you to view. You are welcome to look at your child's Learning Journey here or at home. Please fill in your comments at the end of the report and return the next day/ASAP. Should you wish to discuss the report, please arrange this directly with us.

One final thing... if we ever need to call you, you will find that our number comes up as 'Private'. Please do answer if this occurs whilst your child is at pre-school as they might be poorly.

Many thanks,  
Karon & Mary-Ann

**IN TWO WEEKS...**

*We hope everyone has a good half term break!*

*When we return, we will start a new topic – 'People Who Help Us.'*

*We will be focusing on the emergency services and hope to have a visit soon from a police officer and her van!*

This week's winner is  
**HOLLIE**

We choose one child per week to help us with little jobs around the pre-school such as clearing the table after snacktime and counting the children at register time. At the end of the week they will receive a certificate.

Congratulations Hollie and keep up the good work!

**Can we request that all snacks are smaller i.e. a piece of fruit, as some of the children are spending a long time eating... Thank you!**

## NOTICES

**Thank you for the donations of clothes for recycling. We have raised £40 this month!**

### DO YOU ENJOY DOING PUZZLES?

If so, we have lots here that need checking for missing pieces. We also need volunteers to help mend the boxes. Please ask if you have the time to help us out!
