We regularly do **Jolly Phonics** with the children at the setting, to join in at home you can now access this through You tube, get your children to show you the actions.

Story Telling

Stories are one of the greatest gifts a parent or grandparent can give to their child and a great way of spending quality time together. We would like to invite you into the setting to share your child's favourite book with us.

Alternatively your child could bring their favourite book in for us to read to the group.
