NOTICE BOARD

A big thank you goes to Lucy and Clare for all their hard work in the holidays setting up pre-school ready for our return. I am sure you will agree they have done a great job.

All staff have now completed the new EYFS briefings which started this term.

WE NEED YOU. We are always looking for new members to join our committee, if you are interested please speak to any member of staff for information. Week commencing 5th November we will be having a parents afternoon/evening. Where you can come along to see your child's learning journey and discuss your child's progress with their keyworker. Date and Time to follow.

Top tips for talking.

We are introducing a reading scheme within the group called

LETS SHARE A BOOK

Giving children the opportunity to borrow a book from pre-school to take home and share with their families, on return they may exchange their book for another.

We are hoping this will encourage the enjoyment of books with the children and build on their speech and language development.

Mike Tagg.

(Karon's son in law)is taking part in a **Sky Dive** to raise money for pre-school on the 7th October there will shortly be a sponsor form in reception should you wish to contribute . May we please ask parents to fill in the leaves on our listening tree in the foyer. With your childs, achievements, interests or what they have been doing at the weekend so that we can use them to create Talking points and build relationships

Is there anything you would like to see in the newsletter, Any Suggestions? Please fill in and return slip below
